TO: Daniel Derenda Commissioner of Police	DATE: 01/10/2013 04:23:18 PM
FROM: Patrick A Roberts Captain Housing Unit	SUBJECT: Overtime Directive
<p>Attn: Charles Tomaszewski, Deputy Police Commissioner Byron Lockwood, Deputy Police Commissioner Kevin Brinkworth, Housing Chief</p> <p>Sir:</p> <p>I have read and understand the directive as put forth by D.P.C. Tomaszewski. That being said, I have some concerns that I would like to raise. It has been the practice of the Housing Unit since my arrival that we utilize a hard minimum of four(4) officers working during the mp-4 tour. The reason for this is the safety of the officers. I believe that by the very nature of the work that the officers on the Housing unit perform routinely, that having an officer not accompanied by a partner and only one two officer car for back-up, the solo officer is placed at an unnecessary risk. Frequently, the two officer car will be out of service for extended periods processing arrests, leaving the solo officer cut-off from any assistance within the unit. Please consider the request for a hard minimum of (4) officers on the Housing Unit at all times.</p> <p>Additionally, the unit is allotted 120 hours of overtime per pay to run a detail during the mp-2 shift. The detail has been highly productive and shows high visibility within the BMHA properties during daylight hours. I would request that this be allowed to continue as the officers have shown great production with regards to arrests, V/T issuances, and vehicle impounds, more than paying back the city for it's overtime expense. I will personally see to it that the officers continue to produce at this high rate.</p> <p>Lastly, I have been afforded 20 hrs/pay of overtime to oversee the Housing Unit and the Strike Force. I realize Strike Force is ending but would request that I be allowed to use at least a portion of those (20) hours to continue with meetings and statistical compilation.</p> <p>Respectfully submitted,</p> <p>Capt Patrick Roberts</p>
